SUBJECT: Letter of Recommendation

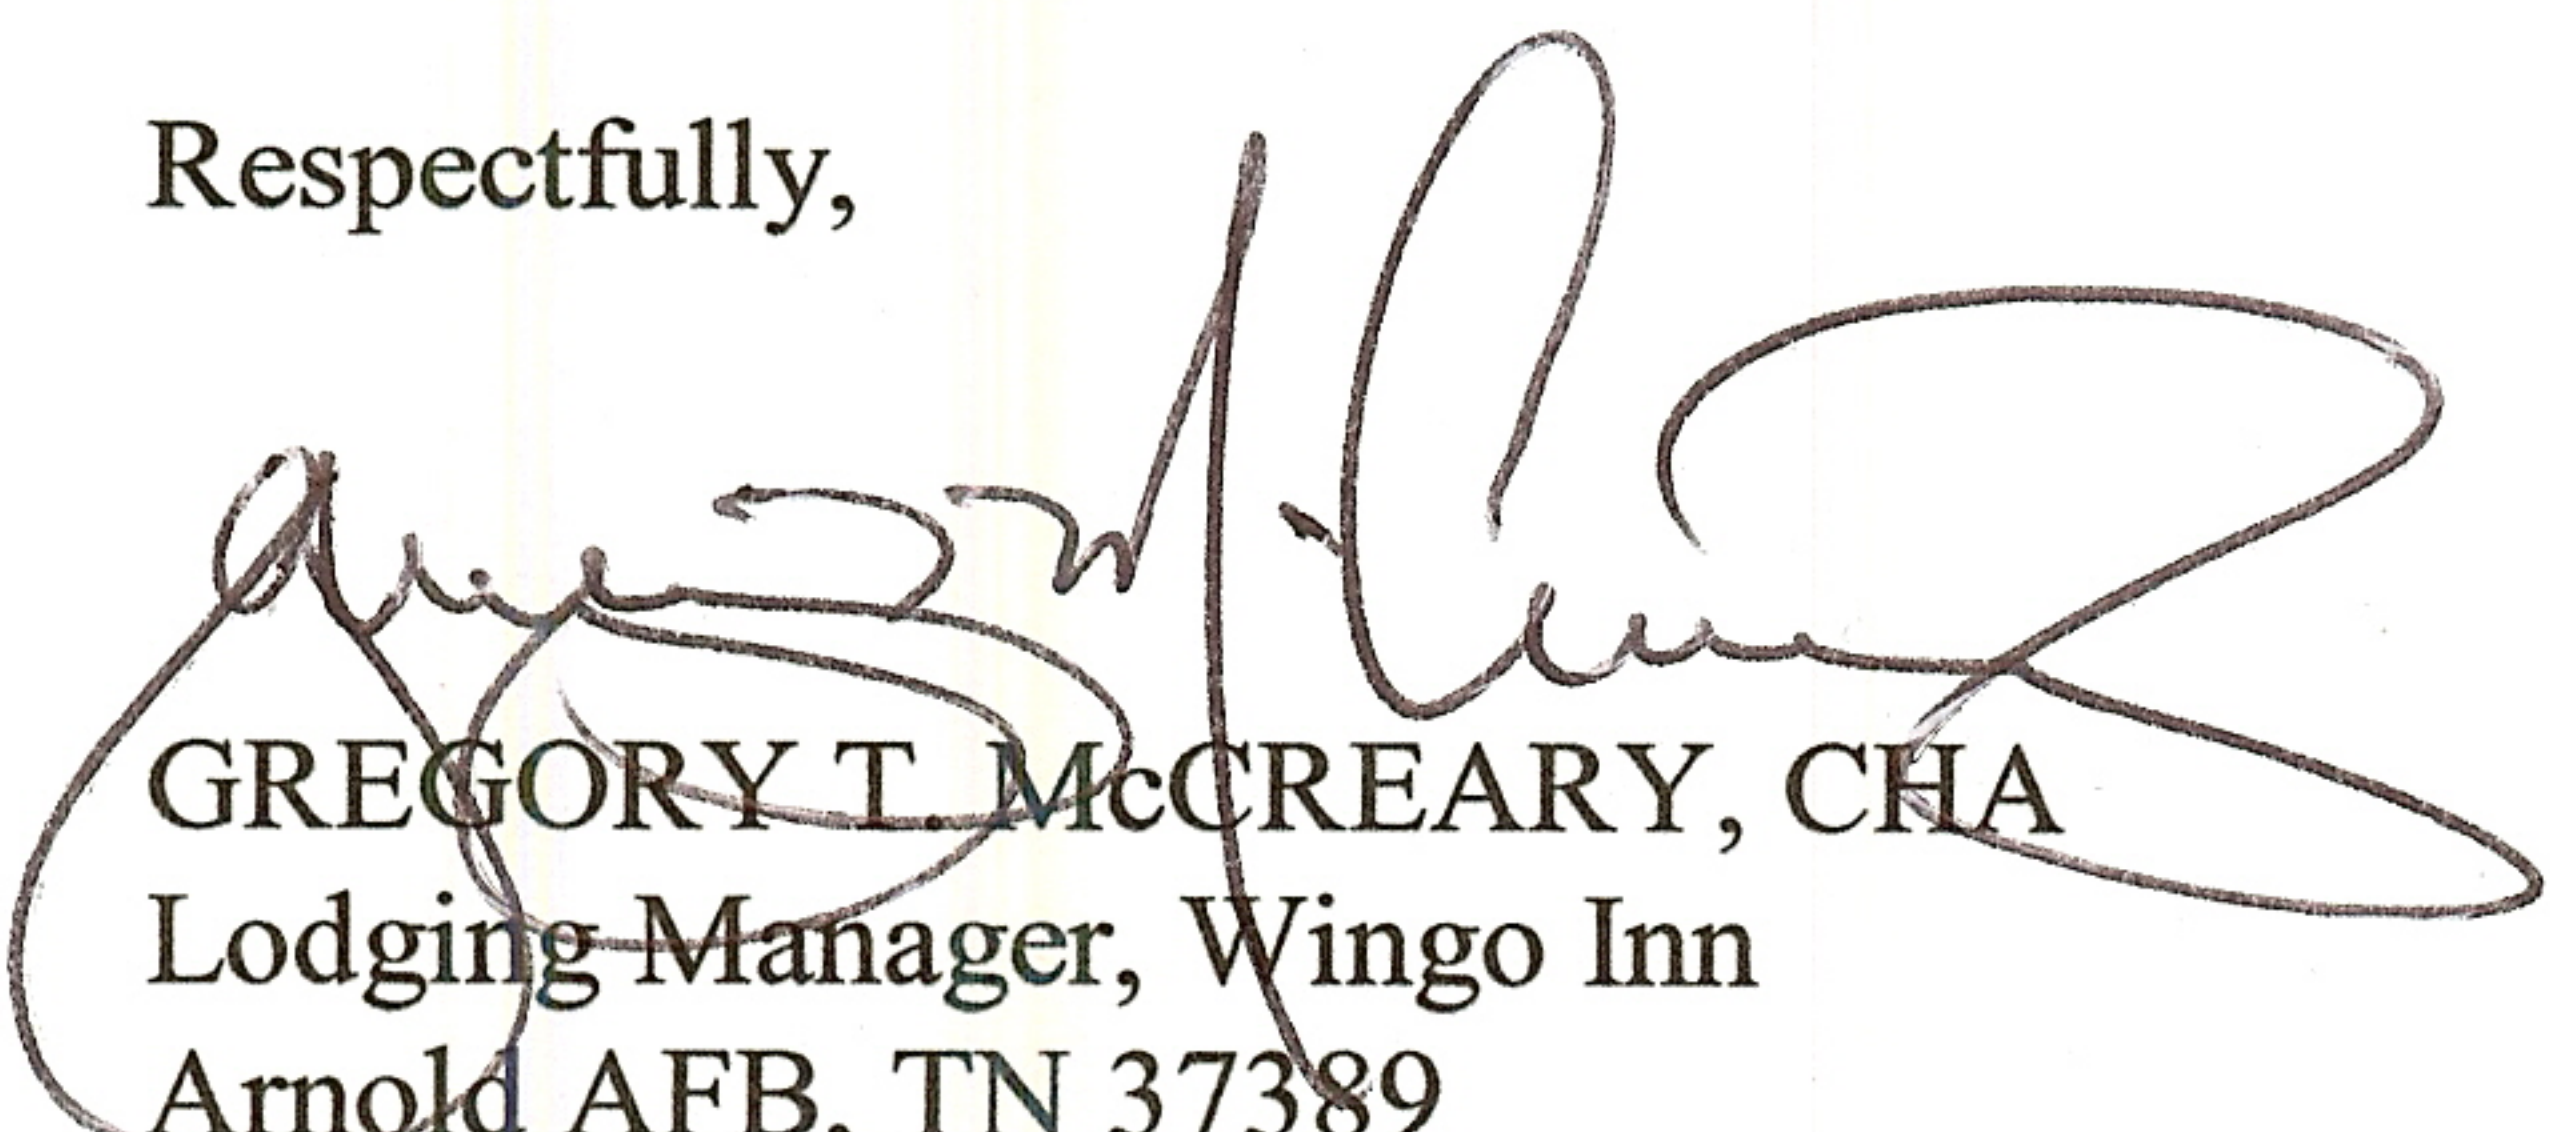

To Whom it May Concern,

I'm writing this letter of recommendation for Blue Oak. As a recipient of their work, I've been extremely pleased by the level of craftsmanship and safety I've witnessed firsthand. As the manager of the Wingo Inn, I've experienced several projects to include the upgrade to our kitchen and the refurbishing of our flooded rooms. Working with Blue Oak they always made me, as the user, that my input was important while staying within scope and direction of the Project Manager.

I personally feel Blue Oak would make a great Saber Contractor for AEDC. Those that have had pleasure working with these professionals would echo the same sentiment.

For any further questions please contact me at the number listed below.

Respectfully,
